IT8299   Cooperative Learning Project (MIS)

بوليتكنك البحرين
Bahrain Polytechnic

Course Aim The course enables the student to apply critical knowledge acquired from the degree programme. It allows the student to gain experience of work practices and discipline and also provides the opportunity for the student to extend their learning beyond the confines of an educational environment. The industry experience provides a detailed knowledge and understanding of one or more subject disciplines and skills base and provides improved career prospects.

Short Title	Industry Project (MIS)	Version	3
Faculty	EDICT	Effective From	February 2016
