## CTTL awarded to 143 graduates

Bahrain Polytechnic's executive management with the awarded staff members

**B**ahrain Polytechnic's executive management awarded the Certificate in Tertiary Teaching and Learning (CTTL) to 143 graduates at Bahrain Polytechnic recently.

CTTL is an introductory

programme for people teaching adults in a tertiary education context, and was modelled on the New Zealand Certificate in Adult Teaching (CAT) from Christchurch Polytechnic and Institute of Technology

(CPIT). The programme models international standards of good teaching practice and provides an introduction to the Polytechnic's unique model of Problem Based Learning by looking at the three key

areas of the Adult Learner, Classroom Practice, and the Use of Technology in Teaching and Learning in Higher Education.

The Certificate in Tertiary Teaching and Learning is

recognised by the Bahrain's QQA as a Level 6 award and is a critical pedagogical strategy for the Polytechnic and a unique and visionary programme in Bahrain and regionally. It has been recognised for

its contribution to teaching excellence by numerous international experts and Bahrain Polytechnic is currently seeking the UK's Higher Education Academy accreditation.

## Used Textbooks Campaign

Manama

**U**sed textbooks collection campaign" initiated by Index Bahrain ended on Friday with "book distribution event" with the support of Bahrain Keraleeya Samajam at their Hall. More than 1000 parents and students attended the event to collect books

Along with textbooks, free notebooks and stationery items were also distributed. The event also aimed at creating awareness among children and parents on the importance of environmental care, and the need to protect trees. There was symbolic tree creation on big canvas at the event.

Dr. Layla Faisal Alhalwachi, Senior International Cooperation Specialist from the Supreme Council for Women visited the British School of Bahrain (BSB) to give a talk to the students. The presentation was mainly about 'Responsibilities and obligations of the Supreme Council for Women (to the Bahraini women and society as a whole)' and 'The impact of the SCW in the Bahraini Society and Youth Empowerment'

The orientation programme for various grades for the session 2017-18 was held at NMS-DPS. The programme orientated the parents and gave them an insight on the various changes in the upcoming session

Teachers of NMS-DPS attended a workshop conducted by Dr. Girish Chandran, Chairman, Kensho Solutions and Global Institute of Management Sciences. The workshop focused on the importance of being a teacher, purpose of education and classroom management. Principal presented a memento to Dr. Girish Chandran on the occasion
