Bahrain Polytechnic Hosts CEO Town Hall Meeting with students

Bahrain Polytechnic hosted a CEO Town Hall meeting at the campus on May 16, where Polytechnic students had the opportunity to meet the Polytechnic's Chief Executive Officer, Dr. Jeff Zabudsky.

The meeting brought together students who were able to publicly express their ideas and challenges as students to the CEO directly, where he addressed these

matters in an interactive session. Additionally, Dr. Zabudsky was able to discuss the Polytechnic's future plans with the students.

Dr. Zabudsky stated: "CEO Town Hall meetings are a great way for students to convey their suggestions and problems. Several members from the executive and senior management team were also present during the meeting to clarify any questions a student

may have."

"Our most important stakeholders are students, so we have to make sure that they are satisfied during their studies at the Polytechnic. I'm glad we had this session and I look forward to meeting them again in the next Town Hall meeting," the CEO added.

Dr. Zabudsky hosted a similar Town Hall meeting to Bahrain Polytechnic staff members also.
