

## ST CHRIS HOLDS PRIZE DAY 2014

St Christopher's School's Annual 'Prize Day' was held at the Saar campus Auditorium.

Following the opening address by Head of Senior School, Nick Wilson, the Senior School Choir sang 'Let It Go', Matthew Holman played 'The Swan' by 'Saint-Saens' on Cello accompanied by Liz Holman on Piano and Arnold Brass performed Three Sea Shanties.

Subject prizes and trophies were presented by the Principal, Ed Goodwin, School Governor, Suha Matar and the guest of honour for the evening, Deputy Ambassador, British Embassy Bahrain, Russ Dixon. Vote of thanks was proposed by the Head Girl, Hana Nasif and Head Boy, Milan Malik.

### Bahrain polytechnic begins new course

The Bahrain Polytechnic Business School will soon launch an Events Management major as part of its Bachelor of Business degree.

An external validation panel comprising experts from European universities reviewed suitability of the new programme in terms of content quality and relevance to industry.

"Events Management is of high demand in Bahrain. Using our problem-based approach, we intend to build a unique programme where the students will get hands-on experience and be ready for the corporate world," stated the Acting CEO Dr. Mohamed Al-Aseeri.

"Together, collaborating with our Polytechnic team, I'm sure they can develop a brilliant Events Management curriculum," concluded Dr. Al-Aseeri.

### Fighting diabetes

The mobile diabetes unit of RCSI Bahrain and Bahrain Diabetes Society will be soon returning to schools, educating children about diabetes and the importance of healthy lifestyles.

The programme, which will be in its second edition when re-launched in September, will be modeled on the successful previous edition.

A deal to this end will be signed in September, which also see the community initiative getting cemented into the RCSI Nursing curriculum.

The Mobile Diabetes Unit, supported by the Rotary Club Manama and BNL, had visited more than 18 primary schools.

Through the collaborative "Move with Us" programme, RCSI Bahrain's senior nursing students visited government and private schools and children were educated with the support of Lilly Conversation Maps, education leaflets and games that were developed by the University's Community Engagement Office.

The Chief Executive Officer of Bahrain Bourse (BHB) Shaikh Khalifa bin Ebrahim Al-Khalifa honored 60 students who took part in the TradeQuest Induction Program on 23 June 2014. As part of the programme, participants were then divided into teams consisting of five students, where teams virtually traded at BHB and NYSE for a period of three weeks and were also taught ways to manage their portfolio and make buy and sell decisions.
