

■ A group of AMA International School international baccalaureate students have visited Batelco's Hamala headquarters. The event gave the school group an opportunity to learn about the telecommunications company's use of fibre optic technology and its future expansion plans. Above, the students during their visit to Batelco alongside school and company officials.

■ The last batch of weekly and daily winners in Batelco's 88-day SMS Challenge have been announced. Overall, 63 daily winners each received \$500 in the competition, which started on October 13, while 24 weekly winners took home \$1,000. The grand prize winner is yet to be announced. For weeks nine to 13, \$1,000 winners were Isa Saleh Alkhattal, Anil Anant Bhagwan, Adel Alalawi, Maher Aljenaid, Santosh Phadate, Aida Basher Musa, Camelo Marcus and John Castelino. Above, week 12 SMS challenge winner Ms Musa receives her \$1,000 cheque from Batelco senior marketing manager Huda Alsammak.

■ An open day has been held at the Gulf Equipment and Technology (GET) showroom in Sitra to showcase its stocks of JCB-brand machinery. Representatives from JCB including the company's Middle East regional manager Steve Ryder, overseas regions director Patrick Massardy and Middle East sales head Rajbir Sandhu were welcomed by GET managing director Bassim A Al Alawi and general manager Saurabh Pande.

■ A sports day has been held at Bahrain Polytechnic for its staff and students. The event, organised by the institute's student council at its Isa Town campus, featured a range of activities as well as a health and sports related exhibition in partnership with Bahrain Specialist Hospital and Beau Bites healthy food. Above, students take part in an obstacle course.
