

The ultimate victory in competition is derived from the inner satisfaction of knowing that you have done your best and that you have gotten the most out of what you had to give.

Undefeated Season

The Bahrain School Girls' Varsity Soccer team's undefeated season in the Bahrain Private School Sports League culminated with a 6-0 victory. On Monday, March 7th Bahrain School's Lady Falcons played in the League's Championship match against last year's winners St. Christopher's at the Bahrain Rugby and Football Club. Previously, during regular season matches, Bahrain School beat St. Christopher's 2-0.

In a show of sportsmanship, Bahrain School agreed to play a 10-side match as the St. Christopher's team arrived with 10 players and no subs.

The Lady Falcons began strong - pressuring their opponents from the onset of the game with a high intensity that they maintained throughout the match. Within the first 3 minutes, due to a handball

by a St. Christopher's player in the box, Bahrain School was awarded a penalty kick. Midfielder Helena

Blaisdell-Black took the kick, blasting the ball out of the keeper's reach and into the net. Helena followed this

penalty by scoring two more goals in the first half and earning a hat-trick. Both goals were powerful shots taken

from the right of the goal outside of the box.

In the second half, a goal came

from an own goal by a St. Christopher's defender after a corner kick taken by Bahrain School. Hala Alzayani scored her first goal of the match 10 minutes into the second half from an incredible shot taken near the right-hand corner, which soared up and into the goal. This was followed shortly after by her shot inside the box into the bottom left corner of the goal. Sonomi Maeomote provided the assist.

Goalkeeper Luna Pucillo made some excellent saves and the defensive line worked as a cohesive unit to keep St. Christopher's off the scoreboard. In the short duration of the Island League, the Bahrain School Varsity Girls team's communication, control and passing has improved dramatically. They now begin the regular practice

season in preparation for the DODEA European Soccer Tournament this May.

The KG students of Quality Education School celebrated Mothers' Day at both campuses. All moms were given special cards created by children.

Bahrain Polytechnic hosted an award ceremony for a group of its volunteers who have participated at the Polytechnic's stand during the Bahrain International Garden Show (BIGS) 2016. Acting CEO, Dr. Mohamed Al Aseeri, praised the volunteers for their hard work and dedication, in spite of all the challenges faced, to achieve their objectives.

University College of Bahrain in association with Ministry of Industry and Commerce hosted an event to promote entrepreneurship among the youths through a platform called SME Toolkit. Dr. Sutan Emir Hidayat, Head of Business Administration and Humanities Department thanked the speakers for sharing with UCB students the benefits of SME Toolkit.
