

التسعيرة

إلى: من يهمة الأمر

السيد/السيدة المُكرم،

نقدّر اهتمامكم بالبرامج التي تُقدمها بوليتكنك البحرين .

برنامجنا التكميلي في الهندسة الميكانيكية (برنامج شركة باس) متاح للمرشحين الذين يسعون إلى تعزيز مؤهلاتهم الأكاديمية في تخصص ذي صلة .

يرجى الاطلاع على تفاصيل الدورة والرسوم المرتبطة بها أدناه :

Bachelor of Engineering (Mechanical) – BAS Company Program				
Admission Fee: BHD50/- [Non-Refundable & Non-Transferable]				
Semester	Course Code	Course Title	Credits	Course Fees
Semester 0	-	* Preparation Entry Test (Mathematics & English)	0	BHD 520 [Non-Refundable & Non-Transferable]
	CE6101	Engineering Maths	15	
	CE6104	Presentation skills and report writing	10	
	CE6103	Engineering Physics and Mechanics	10	
	CE6102	Engineering drawing and Machining processes	10	
Top-Up Program: Upon successful completion of Semester 0				
Semester 1-7	EN6902	Engineering Mechanics 2	15	BD 300
	EN7919	Thermodynamics	15	BD 300
	EN6904	Engineering Graphics	15	BD 300
	EN7917	Fluid Mechanics	15	BD 300
	EN7908	Manufacturing, Control, and Environmental Sustainability	15	BD 300
	ED7000	Applied Project	15	BD 300
	NR	National Requirement Courses 15 credits	15	BD 300
	EN8923	Engineering Project Management	10	BD 200
	EN7923	Mechanical Project 1 (Design and Analysis of Mechanical Components)	30	BD 600
	EN8918	Applied and Process Heat Transfer	15	BD 300
	EN7924	Mechanical Project 2 (Fabrication and Manufacturing)	30	BD 600
	EN8906	Vibration, Noise and Mechanics of Machine	15	BD 300
	EN8908	Manufacturing Processes	10	BD 200
	EN8924	Quality and Reliability Engineering	5	BD 100
	EN8905	Energy, Environment and Sustainability	15	BD 300
	EN8913	Project Proposal	5	BD 100
	EN8912	Applied Thermodynamics	15	BD 300
EN8914	Co-operative Learning Project	30	BD 600	
Total Cost of Top-Up Program (Excluding Repeated or Failed Courses, Including Admission Fee)			330	BHD 6270
