

## QUOTATION

**To:** To whom it may concern

Dear Sir/Madam,

We appreciate your interest in the programs offered by Bahrain Polytechnic.

Our top-up program in **Chemical and Process Engineering** is available for candidates seeking to enhance their academic qualifications within a related specialization.

Please find below the details of the course and the associated fees:

| Bachelor of Engineering Technology (Chemical and Process Engineering)                               |             |                                        |            |                  |
|-----------------------------------------------------------------------------------------------------|-------------|----------------------------------------|------------|------------------|
| Admission Fee: BHD50/- [Non-Refundable & Non-Transferable]                                          |             |                                        |            |                  |
| Semester                                                                                            | Course Code | Course Title                           | Credits    | Course Fees      |
| Semester 1-6                                                                                        | EN7230      | Instrumentation and Automatic Control  | 15         | BHD 300          |
|                                                                                                     | EN7704      | Material and Energy Balance            | 15         | BHD 300          |
|                                                                                                     | NR          | National Requirement                   | 15         | BHD 300          |
|                                                                                                     | ED7000      | Applied Project                        | 15         | BHD 300          |
|                                                                                                     | EN7700      | Mass Transfer Operations-I             | 15         | BHD 300          |
|                                                                                                     | EN7917      | Fluid Mechanics                        | 15         | BHD 300          |
|                                                                                                     | EN7919      | Thermodynamics                         | 15         | BHD 300          |
